

Corporater User Conference

Tuesday, 22 may

08:30	Registration
09:00	Opening address Tor Inge Vasshus, CEO Corporater AS
09:15	Balanced Scorecard Best Practices Mihai Ionescu Although the BSC principles and implementation methodology look simple, the test of practical projects has enriched our BSC body of knowledge with a few gold nuggets. <ul style="list-style-type: none">• How should we select our KPIs?• What should we define first, the Scorecard or the Initiatives portfolio?• How do we decide who should be part of the Strategic Jobs Families?• What should be the workflow of our Strategic Review Meetings? We are presenting some practice-based findings that can help answer such questions.
10:00	Coffee break
10:20	New WEB with new graphic profile and improved user interface Eric Peterson In 2012 the next main revision of Corporater EPM Suite will be released. We will present a more user-friendly, dynamic, interactive solution for building and presenting performance management information. We will present our first prototype.
11:30	Lunch
12:30	Operational reporting Trond Søråas Corporater is not just for following up long term goals. Many customers use Corporater EPM in their day-to-day management reporting. We will take you through some operational related implementations.
13:15	How to add value to your business with Corporater EPM Suite Eric Peterson This session will focus on how organizations are maximizing the value of Corporater EPM Suite by creatively using reports, dashboard views, workflow, risk, and initiatives.
13:50	How to add value to your business with Corporater EPM Suite, continued Eric Peterson
14:20	Coffee break
14:40	Corporater Surveyor Sofia Hoff Surveyor is a survey tool that give access to structured data. The data that is collected can be used directly in EPM Suite to be linked with key figures, reports, and action plans. We will demonstrate a new version of Surveyor and give tips on how you can utilize the module in the best possible way.
15:15	Better management information Christian F. B. Mathiesen - EDB Ergogroup/ Evry During the latest years ErgoGroup / Evry has delivered robust and good solutions to demanding enterprises. We will show practical examples of the most exciting projects and review Project account management, good management models with good drills and reporting. Finally we will discuss how an Authorization for Expenditure letter (AFE) can be operationalized in Corporater.
16:00	End
